

Faithful to our Episcopal-Presbyterian heritage, and its ministry of healing, St. Luke's Hospital is dedicated to improving the health of the community.

Using talents and resources responsibly, our medical staff, employees and volunteers provide care for the whole person with compassion, professional excellence and respect for each other and those we serve.

At St. Luke's, each and every day, we put into practice our values:

Human Dignity

We accept and treat all persons as being created in the image of God.

Compassion

We respond with caring to the needs of others as if they were members of our family.

Justice

We honor each person's rights and responsibilities in light of the common good.

Excellence

We set and strive to attain high standards of performance and continuous improvement.

Stewardship

We use our talents and resources wisely, with honesty and integrity.

Our specialty is you.

How do we offer comprehensive specialty care?
By specializing in you.

Rated nationally as a *Top 100 Hospital*,*
we continue to master the art of putting patients first.

** Our dear friend, Dick Battram, passed away on May 12, 2006 after a brave battle with cancer. Dick, pictured here with his wife Patty, was a true friend of St. Luke's Hospital and his kindness and generosity of spirit touched everyone who had the opportunity to meet him. He will be deeply missed by all of his friends and loved ones.*
