

Open Enrollment is October 13th – October 29th

How do I get my insurance cards?

The enrollment information goes to the appropriate insurance carriers every week. The carrier will process your enrollment and send insurance cards. Most carriers will send the insurance cards through the United States Postal Service. Cards usually arrive in your mailbox 7 to 14 days after enrollment. They may be sent in an unmarked envelope so watch your mail carefully. You don't want to miss the cards sent to you for use this year.

Any insurance cards sent will be effective January 1, 2022. Please stop using the old card on December 31st and begin using the new one on January 1, 2022.
