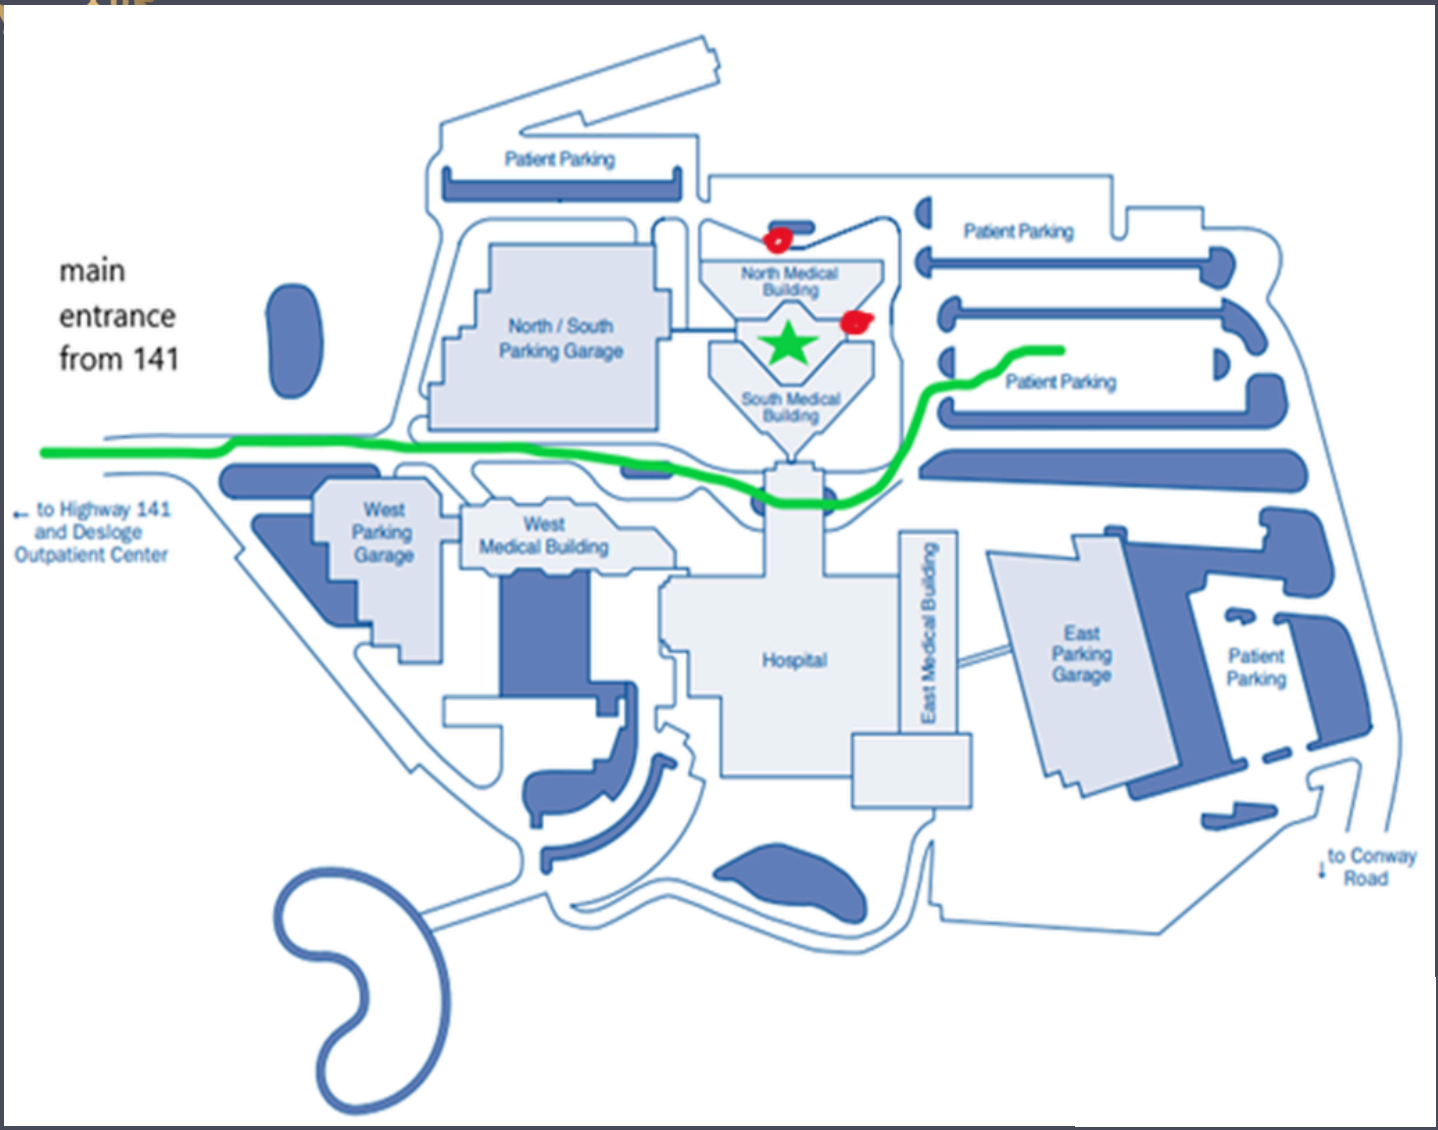
MAP & PARKING INSTRUCTIONS



The St. Luke's Institute for Health is located on the main hospital campus on the 2nd level of the North Medical Building (notated by the green star). You can enter through either entrance noted by the red dots. From street level, you will enter on the 3rd floor and can use either the stairs or elevators to go down to the 2nd floor. There will be ample lot parking, and you may also park in the North/South parking garage.
