Dear Patient,

Thank you for choosing St. Luke's Medical Group for your care. Our practice team looks forward to supporting you on your health journey.

As members of St. Luke's Medical Group, we are dedicated to providing you with exceptional care. We respect your individuality, listen to your concerns, and provide you with high quality, safe care.

We use mystlukes patient portal to communicate with patients. With mystlukes, you can send us private and secure messages, request appointments and access your health information, including test results and office visit summaries.

You are scheduled on \_\_\_\_\_ at \_\_\_\_\_

You can complete the new patient paperwork posted on your doctor's profile on St. Luke's website, [stlukes-stl.com](http://stlukes-stl.com) or fill out the enclosed paperwork. Please send your paperwork to the office before your appointment or bring it with you. This will help make your first visit with us as smooth and efficient as possible.

Please arrive 15 minutes before your appointment to allow time for registration. Don't forget to bring your insurance card and photo ID, as well as a list of any medications and supplements you are taking.

We request a 24-hour cancellation notice. If you cannot make your appointment, please let us know as soon as possible so we can offer it to someone else. Your consideration is appreciated.

If a referral is required by your insurance company, please contact your primary care physician to request it in advance of your appointment. If you do not have a referral at the time of your visit, your appointment will be rescheduled at your convenience to allow you time to obtain a proper referral for your visit. If you are unsure if your insurance requires a referral, please contact your insurance company regarding your benefits.

Again, thank you for choosing us for your health care. It is a privilege to serve you.
