# St. Luke's Hospital – Assuring Access and Excellence in Healthcare

## More than **150 Years**

St. Luke's Hospital is an independent, nonprofit healthcare provider committed to improving the quality of life for its patients and the community.

Founded in 1866, St. Luke's provides services in more than 60 specialty areas at its acute care hospitals in Chesterfield and Des Peres, Missouri, and more than 30 outpatient services locations across the greater St. Louis region.

**St. Luke's is the only St. Louis Region Hospital Affiliate of the Cleveland Clinic's Sydell and Arnold Miller Family Heart & Vascular Institute, ranked #1 in the nation for heart care since 1995 by U.S. News & World Report.** This unique affiliation builds upon our rich history of excellence in heart care by offering patients in the region the highest level of cardiac and vascular care available in the country.

## *Caring for All*

### Patients in Need

Faithful to our Episcopal-Presbyterian heritage and its ministry of healing, St. Luke's Hospital cares for all patients in need, regardless of their ability to pay for healthcare services. St. Luke's provides more than \$15.4 million annually in charity care and discounts for uninsured and underinsured patients.

Keeping people healthy by helping them stay well is essential. St. Luke's offers a broad array of health education and disease prevention programs at minimal or no cost to people throughout the region.

## Awards & Honors

St. Luke's is recognized at regional and national levels for excellence in clinical quality, patient satisfaction, financial stewardship and workplace culture.

- Five star quality ratings from the Centers for Medicare & Medicaid Services for safety of care, patient experience, effectiveness of care, timeliness of care, efficient use of medical imaging and low readmissions and mortality

## Why Business Community Involvement

### Matters

Philanthropic support is essential in assuring that our services, facilities and equipment keep pace to meet the demands of today's ever-changing healthcare environment. St. Luke's focus is to provide the very best patient-focused care.

Companies who partner with St. Luke's Hospital send a powerful message to their customers, team members, peers and the community. They make a commitment to the health and quality of life in our region.

Corporate Friends of St. Luke's make an annual philanthropic contribution to support the hospital's operating needs or to sponsor health programs and events. They receive value through benefits that honor their corporate citizenship, enhance health and wellness in their workplaces, and offer volunteer opportunities.

## Annual Gifts and Sponsorships Make a Difference

### for St. Luke's Hospital and Your Company

Corporate Friends are prominently acknowledged in St. Luke's donor recognition displays and publications, as well as through a number of appreciation and outreach events throughout the year. Recognition benefits can be further personalized to meet your company's philanthropic and community benefit interests.

\* These are health and wellness informational events offered to members of the Friends of St. Luke's. Event sponsorship gift opportunities are also available for the hospital's fund raising and public events.

\*\* Additional health programs and events are offered free-of-charge to individuals signing up for complimentary Spirit of Women membership.

\*\*\* Fees for medical services are in addition to company's philanthropic contribution.

\*\*\*\* Additional fees apply as determined by number of employees participating and company's preference for maximum tax-deductibility of contribution.
