

Printing Attachments from the MyStLukes Portal: Google Chrome

1. When you open the message, select “Download” under “Attachments.”

2. Select the pop-up in the bottom left-hand corner.

Printing Attachments from the MyStLukes Portal: Google Chrome

3. This will open the attachment as a PDF and from there you can print it. Select the printer icon or “Ctrl + P”.

4. Follow your normal printing prompts.

5. If you want to save the document, select “Download” and follow your normal save prompts.
