

St. Luke’s FACES Award Program

Faithful to our Episcopal-Presbyterian heritage, and its ministry of healing, St. Luke’s Hospital is dedicated to improving the health of the community. Using talents and resources responsibly, our medical staff, employees and volunteers provide care for the whole person with compassion, professional excellence, and respect for each other and those we serve.

FACES Cards are used to recognize employees, volunteers and physicians who exhibit behavior which supports St. Luke’s mission, core values and the FACES culture of customer service.
