

Transportation Assistance Resources **Reliable and Safe Transfers** **for Patients at Our Facilities**

St. Luke's Hospital prioritizes safety, not only while you're in our care, but also during your arrival and departure from our facilities.

And because not all our patients have complete mobility, we realize that for some, a trusted and experienced transport team may be the best option for those who are looking for reliable transfers from their home to our facilities.

The following providers may be an option for you, your family or caregiver should you need assistance when coming to or leaving our facilities:

Call A Ride
314-652-3617

Docks
314-220-4282

Medicaid
866-269-5927

OATS
314-894-1701

Summit Specialty Transport
314-548-2122

Please contact any of the resources above to check availability and any fees for service.

Our specialty is you.
